Report on the Audit of Financial Statements

We have audited the accompanying financial statements of RASHTRIYA SWARAJYA SENA, (The "Party"), which comprise the Balance Sheet as at 31st March, 2020, Income & Expenditure Account for the year ended on that date and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the Financial Statements

The Party's Management is responsible for the preparation and presentation of the financial statements that give a true and fair view of the financial position and cash flow of the Party in accordance with the accounting principle generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Party and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the ability of Rashtriva Swarajya Sena (the Party) to continue as a going concern, disclosing, all applicable matters related to going concern and using the going concern basis of accounting unless the management intends either to liquidate the Party or cease the operations. Those charged with governance are responsible for overseeing the Party's financial reporting process.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our Audit in accordance with the auditing standards generally accepted in India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Party's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Party has in place an adequate internal financial control system over financial reporting and operating Effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Party's Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion on the financial statements.
